SLAVERY AND HUMAN TRAFFICKING STATEMENT

Introduction

We are committed to eliminating acts of modern-day slavery and human trafficking within our business and from within our supply chains.

Our annual turnover is under £36 million and although we are not legally obliged to report on slavery and human trafficking, this statement is made in accordance with section 54(1) of the Modern Slavery Act 2015 and is our slavery and human trafficking statement for the financial year ending 31 December 2018.

Organisational structure, business and supply chains

We are a manufacturer and supplier of perforated panels, screens, hammers and wear parts and are an independent company operating solely within the UK.

Our business comprises one manufacturing unit and associated head office support based at the above address.

Our supply chains are mainly UK based suppliers of metal, packaging materials, manufacturing machinery and office supplies.

Policy on slavery and human trafficking

We are committed to ensuring that there is no modern slavery or human trafficking in any part of our business or in our supply chains. This policy reflects our commitment to acting ethically and with integrity in all our business relationships and to implementing and enforcing effective systems and controls to ensure slavery and human trafficking is not taking place anywhere within our supply chains.

Due diligence

We consider ourselves to be a “low risk” business with regard to slavery and human trafficking. However, we foster a culture that encourages the identification and reporting of any such risks within our business. We recruit all our employees either directly or through recruitment agencies who are members of the Recruitment and Employment Confederation. We do not recruit from outside the UK.

Assessing and managing risk

We have a whistle blowing policy in place as part of our efforts to identify and mitigate risks within our supply chain and we have zero tolerance to slavery and human trafficking.

Training

We are providing appropriate training to ensure that relevant employees understand the risks of modern slavery and human trafficking within our business and supply chains.
